

GUIDE TO CHANGING YOUR ENGINEERING MAJOR - FW 2017-2018

Who uses this process?	Students who are in a specific Engineering major and want to change to another Engineering major (e.g. Electrical Engineering to Mechanical Engineering)
What are the minimum Academic Requirements for the Program?	Engineering students applying to change their major in Engineering must be in good academic standing and eligible to continue in Engineering to be considered for their program of choice. NOTE: Meeting minimum requirements does not guarantee admission.
How do I apply?	Online. The link to the application will be located here and will go live on March 20, 2017.
When do I apply?	March 20th, 2017 to April 28, 2018
If I get in, when will it be effective?	Next Fall/Winter Session
What calendar do I follow if I got into my program of choice?	You should see an Academic Advisor, in the Student Welcome and Support Centre (105 Bergeron Building) to confirm which academic calendar you should follow.
When will I be notified of a decision?	Normally by early June via email. During peak periods it may take longer.
Who do I contact if I have questions:	Email: ask@lassonde.yorku.ca Call: 416-650-8215 Visit: 105 Bergeron Centre for Engineering Excellence
What do I do if I have questions about the decision, once it is made?	If you have applied to change your major and have questions about the decision you should speak to Hema Nair, Manager Student Advising, in the Student Welcome and Support Centre (105 Bergeron Centre for Engineering Excellence).
