

**Job Title:** Part-Time Student Web Developer

**Job Description:**

Pantheon Prototyping is seeking 2 part-time student web developers to help improve our existing site on Squarespace. The successful candidate will work closely with our team to enhance our website and ensure a seamless user experience.

This is a great opportunity for a student interested in gaining hands-on web development experience with a fast growing start-up. If you meet the requirements and are interested in this position, please submit your resume and a brief cover letter explaining why you are a good fit for this role. A digital portfolio of past web design projects is not required but is an asset for us to better understand your capabilities.

This is a 90-hour position with flexible work hours and the ability to work from home or in person, from now until the end of April with a pay rate of \$20/hour.

**Responsibilities:**

- Collaborate with our team to identify and prioritize website improvements
- Create and implement changes to enhance website functionality and usability
- Design digital assets to improve the overall look and feel of the site
- Troubleshoot and fix any website issues that arise
- Conduct website maintenance to ensure it is up-to-date and secure
- Ensure website compliance with accessibility and web standards
- Refine SEO to improve website lead generation

**Requirements:**

- Currently enrolled as an undergraduate student at York University
- Experience with Squarespace or similar website platforms
- Experience with Photoshop or similar digital media software
- Basic understanding of web design principles, HTML, and CSS
- Strong attention to detail and ability to work independently
- Excellent communication skills and ability to collaborate with others

Note: Due to the nature of this E-WIL contract, this position is only open to domestic students.
