

Job Posting: Graphic Designer at QuiikMart

quiikmart.com

Type: Part time or Internship (paid)

Location: Remote-friendly (Toronto preferred)

Start date: ASAP

Company Overview

QuiikMart is a marketplace connecting customers to local ethnic and specialty grocers. Brand clarity and trustworthy design are core to our growth. **Passion & Grit > Perfect Resume. If you are hungry to learn, resilient, and obsessed with making customers happy, apply even if you do not tick every box.**

Position

We are seeking a **Graphic and UI Designer** to produce crisp, on brand assets for product, social, and merchant campaigns.

Key Responsibilities

- Create social graphics, ads, posters, in store signage, and simple motion snippets.
- Translate concepts into **wireframes and mockups** for mobile screens in Figma.
- Maintain a lightweight **design system** with colors, type, and components across surfaces.
- Optimize assets for responsiveness and performance.
- Iterate quickly based on user and merchant feedback and performance data.

Qualifications

- Portfolio with **mobile or UI** and **marketing** assets.

- Proficiency in **Figma** including components and variants, plus Adobe or Canva as needed.
- Strong layout, typographic hierarchy, and visual consistency.

Preferred Skills

- Basic prototyping or micro interactions, export pipelines, and file hygiene.
- Experience with brand kits and campaign design.

What We Offer

- **Paid role.**
- Clear scopes, quick reviews, and real usage of your work in market.
- Tight collaboration with engineering and marketing.

Application Process

Email **info@quiikmart.com** with the subject line: **Graphic and UI Designer at QuiikMart**.

Include: (1) resume, (2) portfolio links, (3) two to three assets you are proud of and why, (4) why you want to join.

Join us in making this impactful mission and help bring home closer.
