

2024 Lassonde Student of the Year: Supervisor Statement Guideline

Please note that your supervisor statement about the student's impact on the organization is heavily weighted **at 45% of the student's overall application**. Please provide **examples** of the student's contributions and elaborate where possible (minimum 250 words or one page, double-spaced).

In a few short paragraphs, describe the student's impact on the organization:

- What are the **top reasons** (up to three) why you chose to nominate this student?
- Student's **overall performance**.
- Describe how the student made a **significant contribution** (i.e. to your workplace, your stakeholders, project completion, bottom line, strategic goals, etc.). Please use at least one example and indicate the impact on the organization.
- Did you give the student **extra duties or opportunities** because they performed above expectations and if so, please provide (an) example(s).
- Do you have other comments that you think the awards committee should know?
