

2022 Summer Schools in Computer Science

Sponsored by

Institute of Computer Science/FORTH, Heraklion

And

H-BRS University, St. Agustin, Germany

Application Form

Deadline for application submission by email to me (attachment): **March 25, 2022, 1:00pm**

We have **two** courses on offer below. **Enrolment is by Permission Only**:

- **EECS 3461 3.00** User Interfaces (instructor Professor Constantine Stephanidis (ICS/FORTH), Heraklion, Crete, Greece). The course will run in York's Term D2, from July 11 to end of July (classes end July 28).
- **EECS 3221 3.00** Operating Systems (instructor Ken Kent (H-BRS), St Augustin, Germany). The course will run in York's Term S1, from Mid May to end of June.

If your application to enrol is approved, then you will be contacted by email by the Undergraduate Office of EECS and will be given permission to use **REM** and enrol in the course.

After approval of your application, you will also receive an **information package** that will assist you in making travel arrangements and applying for financial support. Support will be from York International and Lassonde School of Engineering. We expect to hold a "**pre-departure information meeting**", where staff from York International will be present, in **the 1st half of April** (TBA by email to you).
