**ACADEMIC HONESTY CHECKLIST**

Before submitting your work, it is important that:

o   You recognize the importance of academic integrity and understand that there is no tolerance towards academic dishonesty within the Lassonde School of Engineering.

o   You are aware that any suspected breaches will be reported to the Academic Honesty unit within the Student Welcome and Support Centre and may result in additional penalties beyond a zero on this assessment, in accordance with the Academic Honesty Policy.

For more information see: Senate Policy on Academic Honesty.

Lassonde School of Engineering: Academic Integrity Checklist

Please review the points below and place a checkmark in each box to indicate that you understand and agree with each statement. Once you have completed the checklist, make sure to sign your name at the bottom before submitting.

☐	I fully understand my instructor's requirements and expectations for this assessment *(when in doubt always ask).*
☐	I have kept my research notes, lab-sheets, outlines, and early drafts *(you may be asked to provide these to your instructor).*
☐	All ideas used from other sources include citations/references.
☐	I have asked an instructor or librarian about how to include any material I was unsure how to document.
☐	I have not used solution manuals, online repositories, or online homework help services *(unless authorized by my instructor).*
☐	I did not share my work/answers/code with others in ways not approved by my instructor
☐	This is the first time I have submitted this material for a course *(I am not reusing work from a previous semester).*
