Reflection (Cont’d)

› Academic setbacks are a normal part of the university experience...
  • New environment to navigate
  • Online/hybrid/in-person learning
  • New skills to learn
  • New responsibilities
  • Multiple demands on your time

› Goal: Leave this session knowing where you currently stand and know your options to return to engineering.
Your Academic Decision and What you can do about it!
Let’s look at your most recent Academic Decision

Academic Warning Conditions

Students on academic warning must achieve a cumulative grade point average of at least 4.00 within the next 24 credits taken or earn a sessional grade point average of at least 5.00 in the session in which that 24th credit is taken and in each subsequent session until the cumulative grade point average reaches 4.00, or be required to withdraw.

Students whose cumulative grade point average is below 2.50 after at least 24 York credits have been taken will be required to withdraw for 12 months.
Apply to BSc

Undecided BENG Students that do not meet the Honours Progression will be automatically moved to the BSc Science program in Lassonde.

You will be able to repeat completed courses if there is room to help you increase your GPA.

Problem Solving
Ask yourself the following questions:

Have you been able to identify the source of your challenges?

How have those challenges been resolved?

Remembering your university experience. If you could go back into history, what advise would you give to yourself to have a better outcome?
Petition

If you have experienced exceptional circumstances you may want to consider petitioning to drop/withdraw from courses past the published deadline

https://lassonde.yorku.ca/student-life/petitions
Honours Waivers

If you have experienced exceptional circumstances you may want to consider submitting a request to the faculty asking to stay in your program even though you do not have the GPA.

Strategies to increase GPA
Repeat Courses

Students in most programs can repeat a passed or failed course twice for degree or certificate credit, to a maximum of three attempts per course. Although the previous attempts remain on your academic record, only the most recent attempt counts toward your credit totals and grade point averages. Any grade(s) awarded in prior attempt(s) will remain on your transcript designated as "No Credit Retained" (NCR).
I would like to move to a different program
Course Relief

York University allows eligible undergraduate students who have changed their program degree or major to exclude courses completed toward the prior major requirements from their Overall Cumulative GPA (OCGPA) and credit totals for their new program of study. This policy aims to help students continue in and graduate from a new academic program.

Strategies to increase GPA

Take courses in the Summer session

**Summer Continuance Policy**

- Enrol in a course for the summer before your Academic Decision is complete.
- Preference: take a course that you can do well in such as a previously taken course or a course that you are very keen on taking.
- This is another opportunity to help you get your **Overall GPA to a 4.0 (C)**. Academic Warning will be lifted and you can continue into the next session.
