Congratulations

You made it here
How are you feeling?

Missing my prior routine, home environment, social circle, etc.

Slowly feeling like I belong in this new environment.

New routine, new normal.
Would you like some extra help?

A little heads up

**GPA**

4.50 (Between C and C+)

- Most 2000-, 3000-, and 4000-level EECS courses require a cumulative GPA of 4.50 or better over all EECS major courses in addition to other course-specific prerequisites

- **What does this mean for you?**
  - Aim for C / C+ and higher in your EECS courses

**SECTION**

E/F/X/Z

**WAITING LIST**

F, W, SU

**REPEAT**

3 Attempts

- **BEng:** EECS courses must be completed in sections E/F/X/Z. Exceptions:
  - EECS 1011, EECS 1021, and EECS 1028 3.00

- If you are unable to enroll in an EECS course, visit the EECS Department “Announcements” web page a few weeks before the beginning of the term to enter a waiting list request

- If at the end of first year your EECS GPA is below 4.50, repeat an EECS course
