A little heads up

GPA

4.50 (Between C and C+)

-
- Most 2000-, 3000-, and 4000-level EECS courses require a cumulative GPA of 4.50 or better over all EECS major courses in addition to other course-specific prerequisites
 - **What does this mean for you?**
 - Aim for C / C+ and higher in your EECS courses

SECTION

E/F/X/Z

-
- **BEng:** EECS courses must be completed in sections E/F/G/X/Y/Z. Exceptions:
 - EECS 1011, EECS 1021, and EECS 1028 3.00

A little heads up...continued!

WAITING LIST

F, W, SU

-
- If you are unable to enroll in an EECS course, visit the [EECS Department "Announcements" web page](#) a few weeks before the beginning of the term to enter a waiting list request
