### EECS/ESSE

### CIVL/MECH

The Learning, Curriculum & Students (LCS) Committee asks that there is consultation with the Chair on curriculum submissions prior to submitting. Proposal packages must have program level and department-level approval prior to submission for faculty-level consideration.

**Notes:**
1. Curriculum proposals regarding New/Changes to Degree Programs are forwarded to Senate;
2. Curriculum changes which require Senate level approval may only be updated to the Undergraduate Calendar following approval at Senate;
3. Accreditation Unit Tables must be attached for Engineering Programs only.
